

3 EASY STEPS TO

SEE YOUR STUDENTS PUT FAITH INTO ACTION

DECISION POINT

“For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes.” Romans 1:16

Imagine your students stepping into their faith with a passion that transforms not just their own lives, but the lives of their friends and schools too. Your students will be inspired to share the gospel, empowered to take on a Gospel Challenge, and supported every step of the way. Are you ready to see the impact that bold students can make?

Lead with Vision

Help your students go from sitting on the sidelines to inspired and believing it's possible to share the gospel. Use the video in the QR code below to show them students just like them being courageous for Christ and seeing the gospel at work first-hand.

Students Follow with Action

Change your youth group as your students put their faith into action together. Use our 3 week teaching series to roll out the 5 Gospel Challenges. Even one student on fire for Jesus can influence their peers in big ways as students share upfront! Your students who want to start school clubs can turn around and lead their peers through the 5 Gospel Challenges.

Connect with Trained Staff

Our staff can provide personalized ongoing support as you coach your students to reach their school. Don't feel like you have time to coach your students? Empower one of your key leaders to champion the role. Or connect your students to our group coaching sessions for students that we offer online.
