

Let's Make a Difference

Would you like to bring back God's righteousness, truth, and justice to your schools and cities? The following is a way anyone who loves the Lord can be involved.

Our enemy and the enemy of God Almighty has taken a lot of ground without much resistance. We are now stepping in, holding what ground we have left, and taking up the spiritual war for all the ground that has been taken.

No more youth suicides!
No more demonic statues in our college libraries!
No more pornographic material pushed on our precious children!
No more invitations to darkness!

RATHER - AN EVICTION NOTICE!

Making a difference with your help

Help us bring awareness to the current issues within our Schools & Local Government

As I look at the world around us, I see how the enemy of God, and our souls, has established a foothold without much real resistance. How this grieves me, and I am sure most true believers. We especially see how the enemy is now targeting our children with major attacks from the womb to their schools.

Before we go on, let me share with you about my friend's granddaughter, for a perspective on how pervasive the enemy is now. This woman, I'll call Sue, grew up as a Christian, went to the Bible School of Ministry and graduating after two years and taught women's Bible Classes. Sue has a beautiful family with 4 children, and a husband who is a professional. But then she decided to go to a university and that is when everything changed. She received a demonic intervention in her life. She just called my friend, her grandmother, and told her she is seeking a divorce from her husband because she has discovered she is gay! If this can happen to a mature Christian woman, with more knowledge of the Word of God, then most Christians, is it a wonder our children are vulnerable? Their souls are being stolen!

We are already in a war, but most of us have not shown up to the front lines, and the enemy has been taking ground. We have not had an effective battle plan, but this vision is a way we can begin to take back our ground. We will go to the Word of God and see His plan for taking back the ground and seeing our land healed.

2 Chronicles 7:14

"If my people, who are called by My Name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

Jeremiah 29:11-14

11 "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. 12 Then you will call on me and come and pray to me, and I will listen to you. 13 You will seek me and find me when you seek me with all your heart. 14 I will be found by you," declares the LORD, "and will bring you back from captivity. I will gather you from all the nations and places where I have banished you," declares the LORD, "and will bring you back to the place from which I carried you into exile."

As we repent, and turn from our sin, we will seek God for His hand in healing our land. We will intercede for righteousness and truth in our schools, for our children's lives and souls. No more suicides!!! We will stand for God's justice in our courts, and we will stand for faith in God to be restored as well. These are the foundations we want to establish.

God's promise is as He sees our repentance, hears our cries for His help, He will hear from Heaven and heal our land!

Pastors and Church Leaders

This is what we are doing. We have established teams to reach both schools and cities to make sure our county is covered in prayer. We did the research to find the school board members, principals, and schools in the area, along with the Mayor and city council members. We gave this, plus information from the Go Team to our intercessors to pray over on a regular basis.

TEAMS

GO TEAM:

This team consists of mature people who can fly under the radar and if they must speak, can do so in a gracious way to represent God righteously. They will go to the school board meetings and city council meetings, taking notes. The lead of the go team will give this information to the lead intercessor.

INTERCESSION TEAM:

This team meets weekly, praying for schools, school boards, city, city council and our team members. The Team Leader also texts the information from the Go Team leader to the Home Team.

BOOTS ON THE GROUND:

They will be walking around each school in the district, praying blessings and taking communion. This will happen either before school starts or after school hours. They also will walk and pray over local colleges, college libraries, city libraries, election offices, city and county buildings, law enforcements, fire departments, EMTs, and the armory.

YOUTH GROUPS:

The Youth will report to the **youth leader** what they are exposed to at school, and the youth leader reports this information to the lead Intercessor for prayer.

Special Note:

NO private information shall be repeated or discussed outside of any of the preceding group members.
